OCEAN PARK. SEP 8 30 PM 1954 MAINE

Dear Mother,

What excitement we had here yesterday. Yes, I moved out of my tent into a cabin - a good thing too, a tree fell right accross the tent. We lost about 3 big trees here in camp. Not too much damage done though in Ocean Park - only one house crippled. The ocean was a sight to see late yesterday afternoon - sure beautiful.

Love,
Elinor
